

School of Electrical Engineering and Information Technology

- Network Meeting

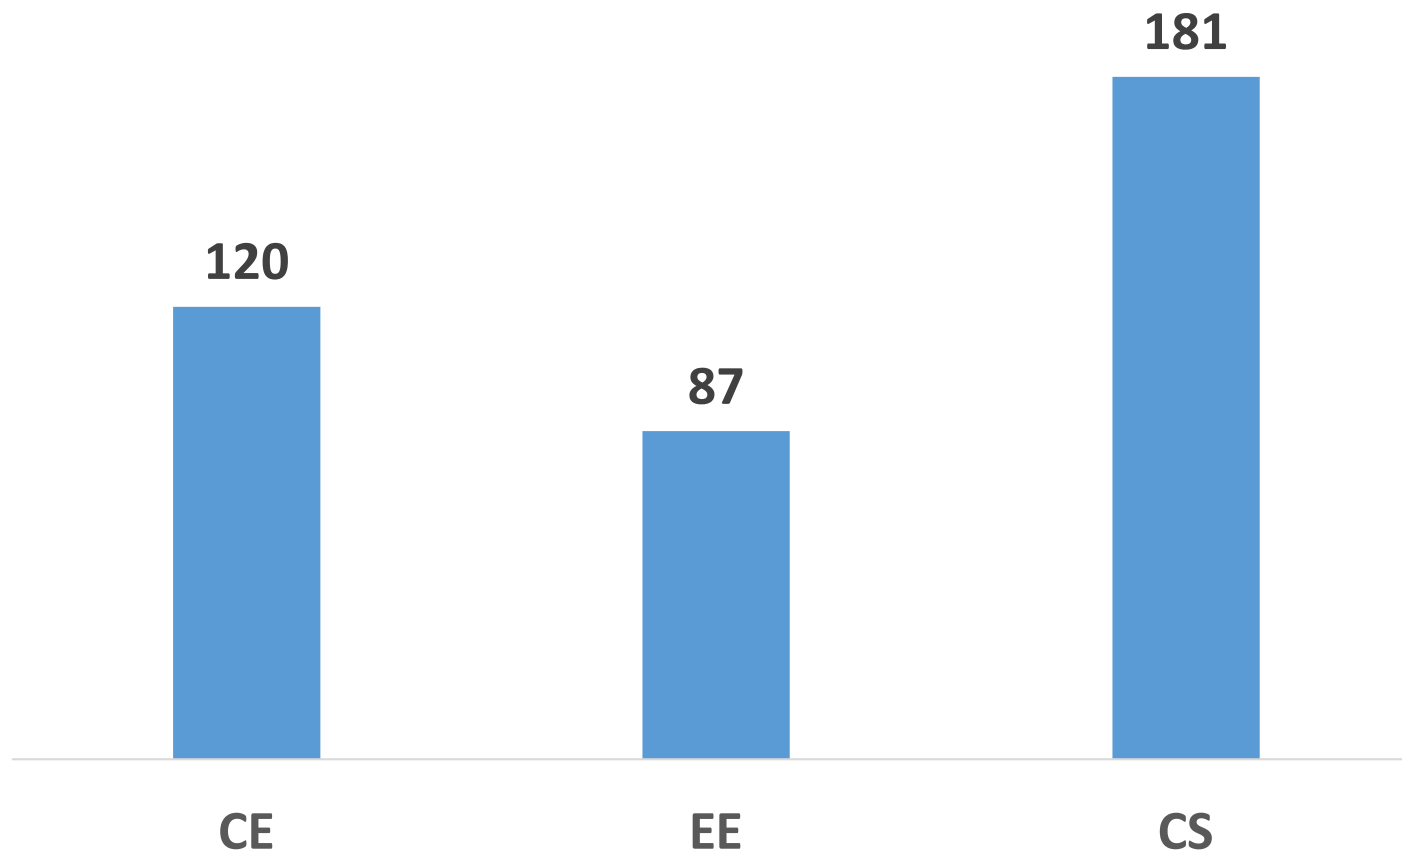

November 11, 2021

| SEEIT Network Meeting –SEEIT Management team

- Prof. Firas Alhawari , Dean of Electrical Engineering and Information Technology
- Dr. Osama Badarneh, Vice dean of Electrical Engineering and Information Technology
- Dr. Dhiah Abou-Tair, Exchange Coordinator
- Dr.Ammar Gharaibeh , head of Computer Engineering department
- Dr. Abdullah Alfarrajeh, head of Computer Science department
- Dr. Mustafa Shawaqfeh, head of Electrical Engineering department

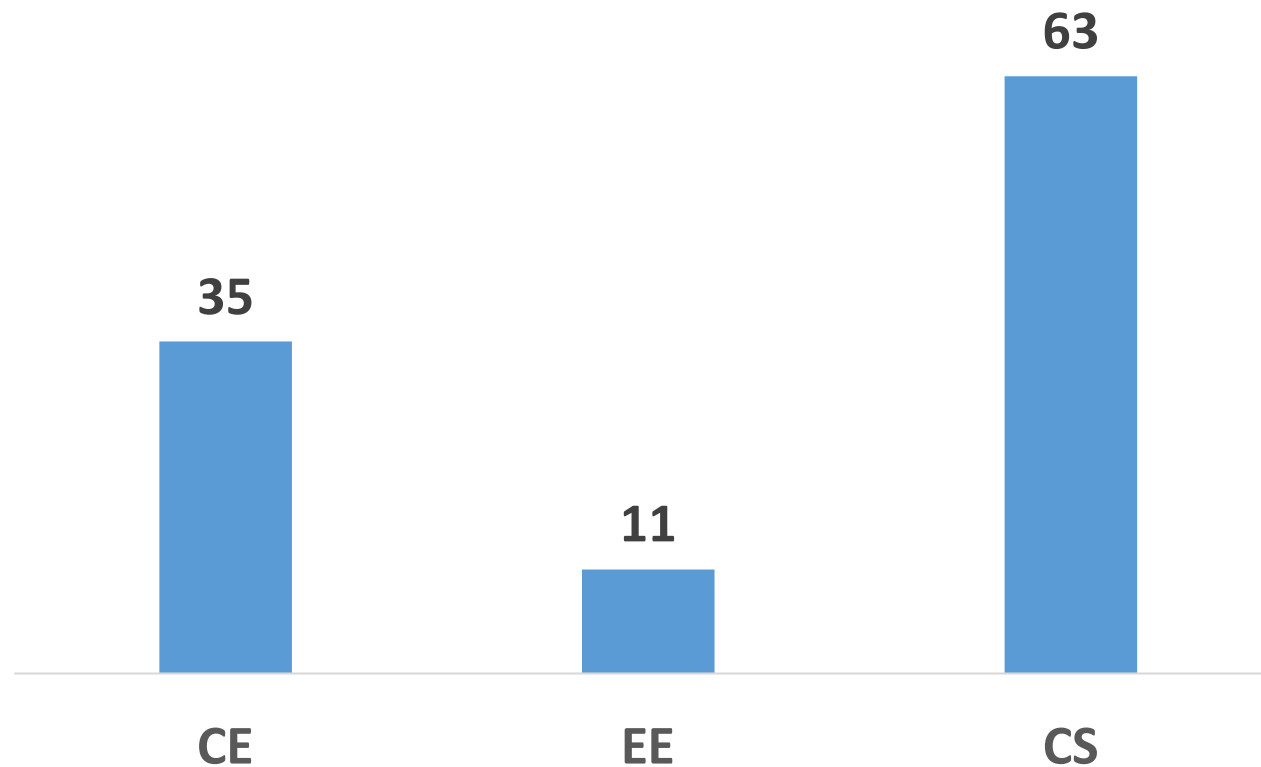

| SEEIT Network Meeting – Statistics

Number of Students Currently Enrolled at GJU

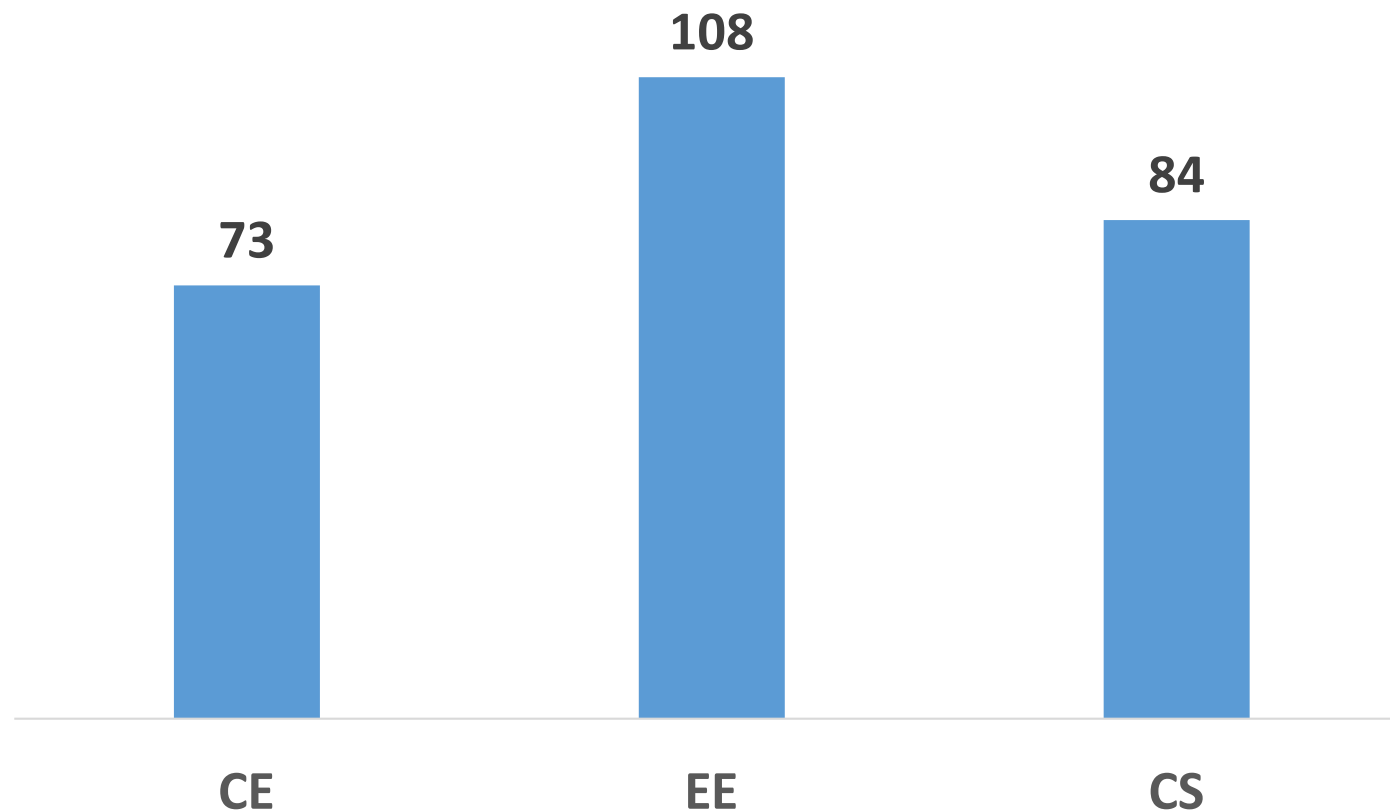

| SEEIT Network Meeting – Statistics

Number of Students Registered at GJU in
WS21/22

| SEEIT Network Meeting – Statistics

Number of Students Graduated from GJU

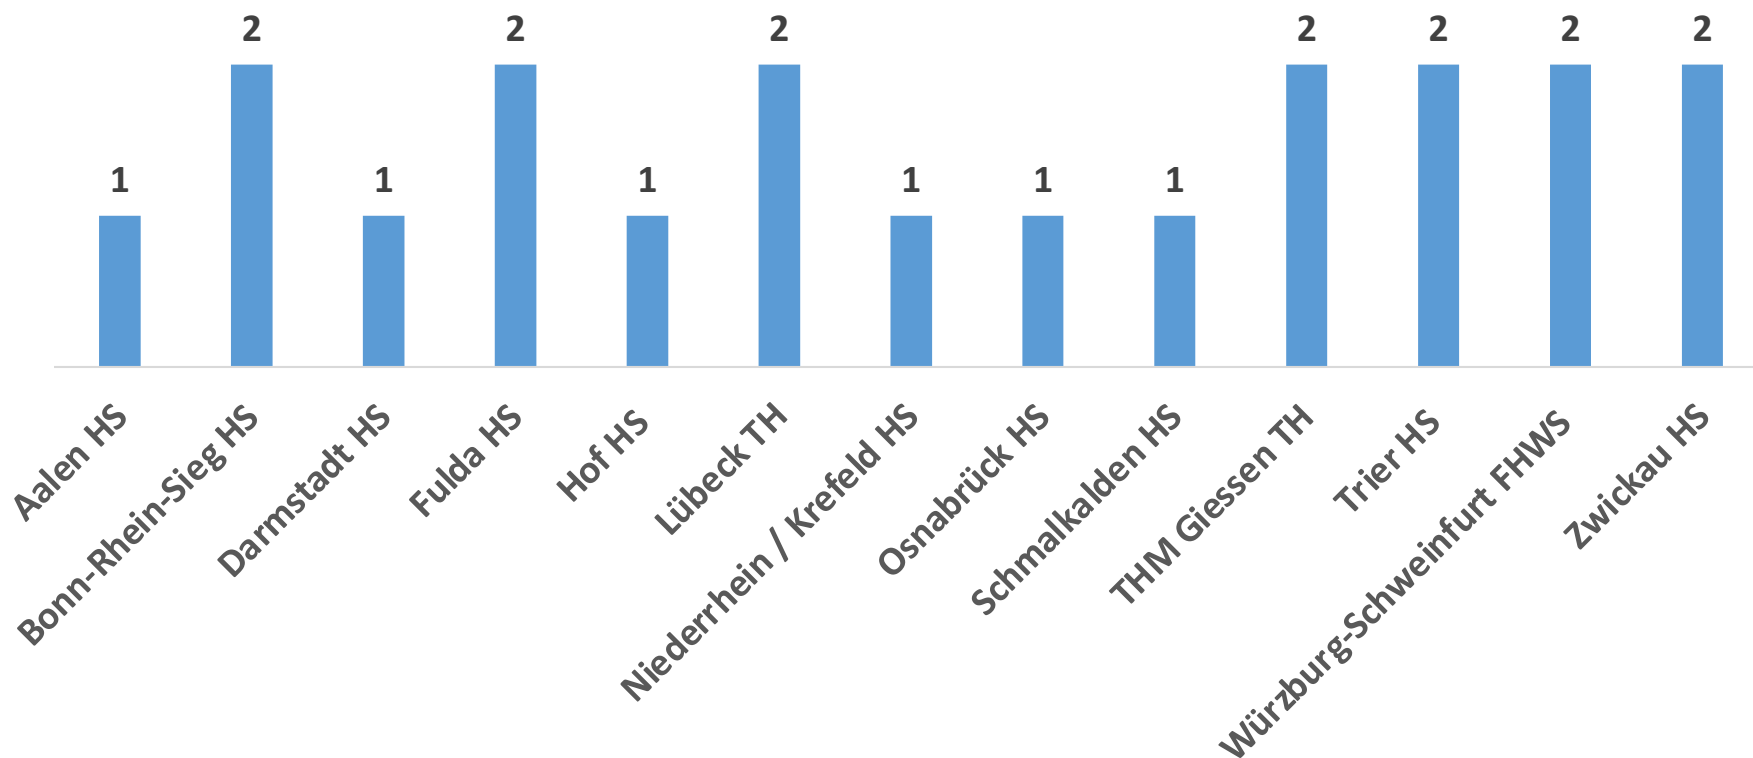

| SEEIT Network Meeting – Master Programs

- M.Sc. in Computer Engineering
- Enterprise Systems Engineering (Joint Program)

| SEEIT Network Meeting – Statistics

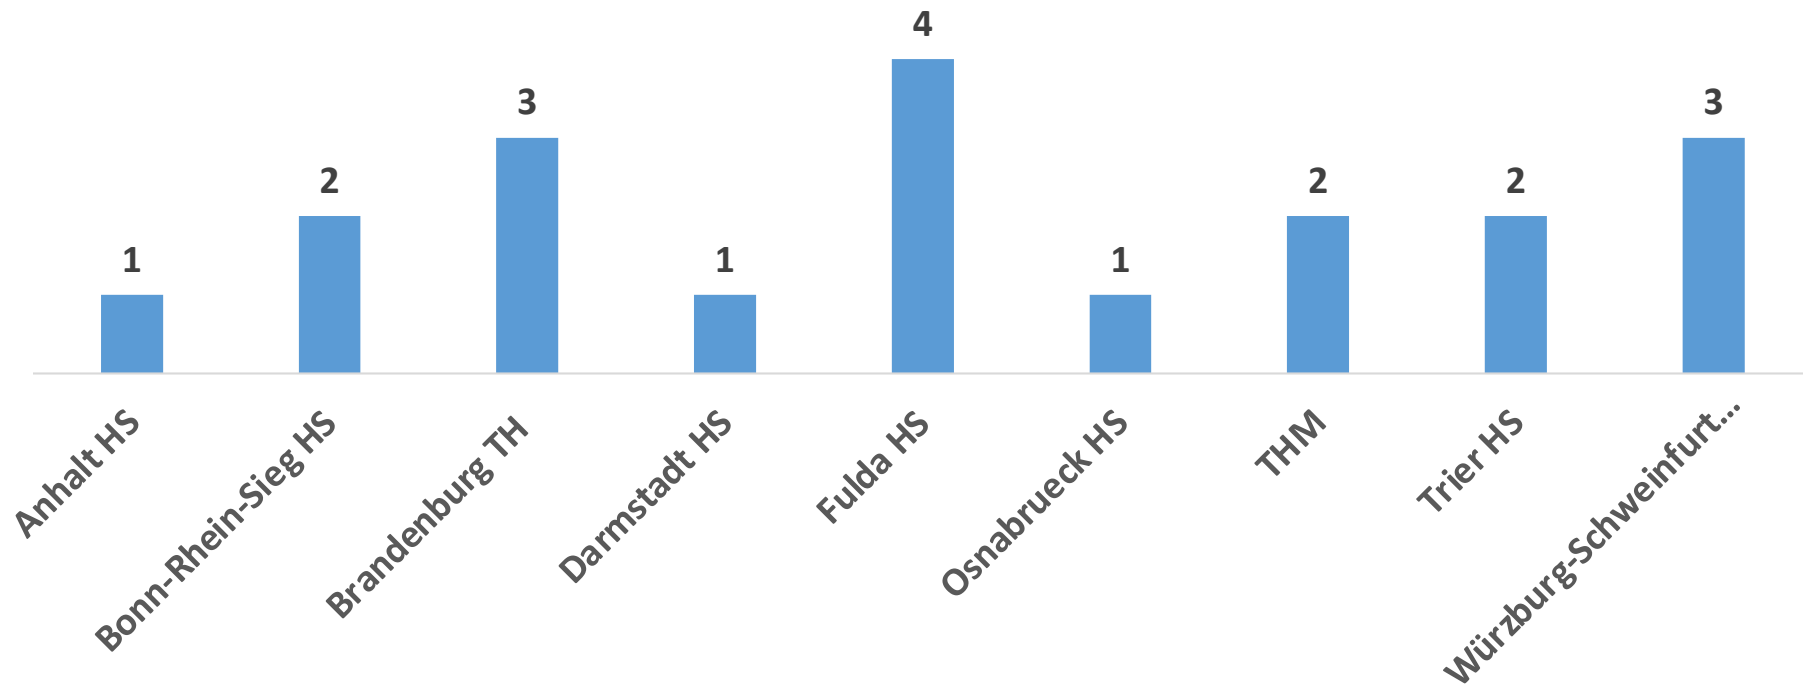

Number of Students are currently in Germany for Study semester (20 students)

- Six students are doing the study semester at GJU.

| SEEIT Network Meeting – Statistics

Number of Students will start the German year in
SS2022

| SEEIT Network Meeting – German Year Regulation – COVID-19

German year in Jordan

As an exception of the German Year Regulations, GJU did neither force GY students to go to Germany for their GY study semester in the German winter semester 2021/22, nor will GJU prohibit its students to go. Instead, GJU puts the decision into the hands of the students to decide themselves subject to legal and governmental regulations of both Jordan and Germany.

The above regulations are not applied on outgoings 2022.

| SEEIT Network Meeting – Flying Faculty

Aim of the program

- ✓ To enhance cooperation between GJU and German partners
- ✓ Build new cooperation's (faculties and industry)
- ✓ Exchange of expertise and new teaching methods
- ✓ Expand German dimension/Intercultural exchange
 - ✓ Linguistically
 - ✓ Culturally
 - ✓ Academically
- ✓ Better preparation for German year and finding guides at partner universities
- ✓ Enhance the Applied Science approach
- ✓ Find new ambassadors for GJU and Jordan

| SEEIT Network Meeting – Flying Faculty

- Make up courses (Elective courses) for academic year 2021.
- Remotely or physically.
- German / English languages.
- 48 contact hour.
- Follow the GJU academic calendar
 - Second semester 20/21 : starting from 21 of Feb 2021
 - First semester 21/22 : starting beginning of October 2021

Finances

- ✓ GJU covers:
 - ✓ Per diem of 80 JOD (minus tax) for the days of teaching at GJU, not paid for travel days
 - ✓ Weekend days are covered if they are followed by a workday
 - ✓ per diem is intended to cover costs for accommodation, living expenses, and commuting to and from GJU campus
 - ✓ the amount will be transferred to the visitors account after her/his stay
- ✓ Project Office covers:
 - ✓ A honorarium payment of 29 Euro per lesson
 - ✓ Transportation to Airport (train in Germany and taxi in Jordan, up to 30 JOD each way)
 - ✓ Round trip airline ticket (economy, up to 800 Euro [peak accounting, no lump sum])
 - ✓ Visa costs of 40 JOD (included in JordanPass)

| SEEIT Network Meeting – Flying Faculty

- ✓ A minimum of 20 teaching hours required on campus, maximum of 48 hours possible; online more flexible
- ✓ Maximum of 21 days stay, online more flexible
- ✓ Hybrid form possible, e.g. starting course online and then come on campus
- ✓ If online, only honorarium payment applies.

| SEEIT Network Meeting – Flying Faculty in 2021

Name	Home University in Germany	Course	Program
Momeni, Massoud	HTW Berlin (Hochschule für Technik und Wirtschaft Berlin)	Electronics II	Flying Professor
Bettina Harriehausen- Muehlbauer	Darmstadt	Natural Language Processing	Part timer
Julia Schnitzer	Technical University of Brandenburg	Interaction Design & Usability	Part timer

| SEEIT Network Meeting – Flying Faculty

List of courses

- ✓ Systems Analysis and Design (3 CH)
- ✓ Component-Based Computing and Web Applications Development (4 CH)
- ✓ Mobile Computing (3 CH)
- ✓ Interaction Design & Usability (3 CH)
- ✓ Electronics II (3 CH)
- ✓ Entrepreneurship in Electrical Engineering (3 CH)

| SEEIT Network Meeting – Challenges

- ✓ Online experience in Germany
 - ✓ New teaching method with new system
 - ✓ Miscommunication , i.e. Trier HS
 - ✓ The courses were online due to Covid-19 situation.
 - ✓ The deadline for assignments is announced during the online lectures
 - ✓ GJU students are not familiar with German courses and German Language, and they did not recognize the deadlines (miscommunication).
 - ✓ GJU students are prevented to attend the final exams.
 - ✓ SEEIT, IO at GJU and the student relations manager at PO worked to support the students by contacting the professors at Trier.
- ✓ Changing the student host school after assignment at Bochum and Zwickau.

| SEEIT Network Meeting – Projects

- ✓ IDL
- ✓ Erasmus +
- ✓ Cyber Physical Systems
