The Road Safety Center of Excellence is glad to announce to you an extraordinary opportunity to those interested in Road Safety Management.

It is a Full-time Master Program Scholarship at the Saint Joseph University of Beirut for the year 2021/2022.

The scholarship for the academic year includes:
- Tuition fees (18 200 US $ - Eighteen thousand two hundred US dollars)
- Financial support for living expenses (a total amount of 600$ per month, for 10 months)
- Round trip ticket to Beirut
- Internship trip for approximately 10 days, IF CONDITIONS ALLOW.

The program's duration is ten months starting in the first week of September 2021 and ending in June 2022, with full-time mandatory presence in Beirut.

Further to the academic courses period, students will undergo field research, practical work as well as the writing of their end of studies project in the period of 10 months. The defense of the thesis will be scheduled in June 2022.

Students who obtain this master degree may get the chance to enroll in any PhD program related to the field.

The deadline for sending applications is July 15, 2021

The selected candidates must:

- Have Four years Bachelor’s Degree from any field of studies (Social Sciences / Humanities, scientific, engineering ...)
- Speak fluently Arabic and English.
- Fluency in French would increase your opportunity.

The candidate must submit a CV, letter of motivation, grades, and diplomas.

Applications should be sent to the email of the Road Safety Center of Excellence:
