

Dear German 5 and German 6 students,

for the second term 2014/15 you have to register your GERL301 and GERL302 course in EduWave **and** a specific language block via doodle.

Below you find the links for doodle. Please open the link appropriate for you and choose **one** block according to your major.

Very important: Do enter your ID instead of your name!!

Please also note: If you are listed in more than one block, you will be deleted in all of them and you have to contact the German Department (Frau Nofal, margarethe.nofal@qju.edu.jo)
