

Dean's Council Decision Goethe B1 - 2017

The Dean's Council of GJU has conferred regarding the issue of the Goethe B1 certificate for all outgoing students and has decided the following:

1. All outgoing students, who will begin their German Year starting from **February 2018**, must have the **full* Goethe B1 certificate** (*a passing grade in all 4 parts of the exam).
2. The certificate must not be older than 1 year before leaving for the German Year.

Note:

This rule is a requirement for the German Year and not for passing German 6. Those who get 50% or more in German 6 and who have not passed the Goethe B1 exam or several parts of it (passing grade: 60%) are considered to have passed German 6 and do not need to repeat it again. Moreover, the students are **solely responsible** for repeating the parts of the Goethe B1 exam that they did not pass at Goethe Institute on their own in order to be able to leave for their German Year.

The Dean's Council's decision is based on the strong demand of the partner universities in Germany for GJU students to have a recognized language certificate.

We at the German Language Center hope that you will benefit from having finished your German studies at our center with a globally accredited language certificate and wish you all the best in your future studies.
