

Dear German 4 and German 5 students!

You might have noticed that the three hours-blocks for German 5 and German 6 for the 2nd term 2014/15 are scheduled in EduWave on Fridays. In fact the classes will be on Thursdays resp. Saturdays and **not** on Fridays.

The registration for these “specific language”-classes will be done via moodle. They are an integral part of the German 5 resp. German 6-course and it is compulsive to register for them.

As soon as the final marks for this semester are published, a link will be posted on the facebook side of the German Language Center and published on the screens at the GJU. The registration then starts. Please make sure that you have access to moodle (elearning.gju.edu.jo).

For any further information contact Frau Nofal. (margarethe.nofal@gju.edu.jo / office F016)
