

REGISTER NOW!

The German Jordanian University's Department of Social Work and its Consultation and Training Center opened the registration for the

Professional Training Certificate in

Social Work: Refugees & Migrants

BLENDDED LEARNING CONCEPT NOTE FALL 2020/2021

Registration closes 10.01.2020

This specialized postgraduate training program is designed to better equip professionals and recent graduates to work with the refugee population. The program brings together national, regional, and international aspects to encompass the understanding of the current pressing problems of refugees, in a context of socio-political change. The courses provide a comprehensive understanding of the needs of displaced persons, and it is their perspectives that shape the program.

Registration & Admission Requirements

- Candidates must be holders of a Bachelor's degree or a two-year diploma degree in social work, special education, social science, or other related disciplines.
- Students from partner universities in their fourth semester /or 3rd year Bachelor students will be considered.
- Students from unrelated academic fields can be considered depending on their experience and career aspirations.
- An English competency exam is administered by the GJU for national students who completed degrees in Jordan and for applicants from non-English speaking institutions.

Required Documents
