Credit Hours: 36 credit hours, Thesis track.

Unique Features:

- Prepared in coordination with the Technical University of Dortmund, Germany.
- Two main streams: Urban Design and Urban Regeneration, and Implementation Management.
- International and industry experienced faculty.
- Graduating planners acquainted with the needs of the Jordanian and regional markets, and capable of facing development challenges, with skills in project management, international organizations, and teamwork.
- Research-based knowledge relevant to spatial planning problem solving, design strategies and implementation.
- All classes will be conducted at Darat Othman Bdeir Campus in Jabal Amman.

Academic Requirements:

- Undergraduate Degree, from a recognized university, with a minimum merit of GOOD, in architecture, urban design, planning, landscaping, civil engineering, or geography. An average of “good” does not necessarily guarantee acceptance in the program.
- Admission interview.

- Portfolio that demonstrates projects undertaken during study and practice.
- C. V. illustrating the applicants' qualifications and experiences.

English Language Requirement:

A minimum TOEFL score of 80 out of 120 on an Internet based test (iBT), or a minimum IELTS (International English Language Testing System) score of 6.0. Students, however, can register as “Special Students” for one semester at GJU provided that they pass the test before the end of that semester.

Required Documents:

- Official bachelor degree transcript and certificate (2 copies), stamped by the Ministry of Higher Education and Scientific Research in Jordan
- Certified photocopy of passport
- Certified photocopy of personal identification card (ID) - for Jordanian students only
- 3 personal photos
- Recommendation letter
- TOEFL / IELTS International results
