Biographical summary

Associate Professor (A) in Foundations of Education Dr. Safaa Shweihat, a faculty member at the German Jordanian University and recipient of the Distinguished Faculty Member Appreciation Shield 2016-2015, Advisor for Educational Development to the Prime Minister 2017-2018 during the sabbatical year, American Fellowship in Civic Education 2010, Vice President and Chairman of the Research Projects Committee at the Executive Office of UNESCO in Arne, 2011-2013, Advisor to the Social Sciences Sector at the Higher Council for Science and Technology 2008-2009. Active member of the Advisory Board of the Catholic Center for Studies and Media 2008-2023, founder and director of the Department of Women's Research Projects at Isra University in Jordan 2003-2005. She has published many researches, studies and scientific articles in national, Arab and international countries, Shweihat is considered one of the prominent leaders in the leadership of civic education, as she has three publications in civic education that have been accredited to teach students in many Jordanian universities since 2006-2023, and are considered the most prominent in the leadership of blended e-learning starting from 2015, where she completed the first course in blended e-learning in terms of content preparation, supervision, implementation and follow-up, its use has spread in the German Jordanian University, the University of Jordan, Isra University, the University of Limenos, and the Hashemite University, Shweihat prepared a project "Code of Civic Educational Conduct in Jordanian Schools". In light of the results of Shweihat doctoral thesis, and in light of the most important recommendations, the subject of "National Education" was considered a university requirement in all Jordanian public and private universities. He chaired the sessions of many scientific events and conferences and joined several courses and courses at the international level - America, Germany, Italy, Turkey and other conferences at the Arab and national levels. She was considered one of the fifty influential women in Jordan by the WPP Foundation "Women are partners in development and development" funded by the Khalil Jubran Chair Office for Values and Peace, University of Maryland, USA. 2017-2022. Member of the Arab Thought Forum and Advisory Board of the Catholic Center for Media and Studies Member of the International Organization for the Empowerment of Arab Women, based in Kuwait, 2021. Currently, a member of the Committee for the Development of the National Education Curriculum for Students of Higher Education Institutions in Jordan, commissioned by the Minister of Higher Education, and on top of my work as a faculty member at the German Jordanian University, I applied for a professorship promotion on 25-10-2022.

Academic Qualifications

2003 PhD in Socio-Cultural Origins of Education, summa laude (3.87 out of 4) with first class honors.

PhD thesis entitled: "**A degree representing Jordanian university students for the concepts of good citizenship**".

2000 Master of Philosophical Origins of Education, with distinction (3.81) out of 4) with first class honors.

Master's thesis entitled "**The prevailing educational philosophy among secondary school teachers in Jordan**".

1996 Bachelor "Classroom Teacher", with a very good grade.

1992 Diploma in "Child Education" and Diploma in "Educational Habilitation", Princess Tharwat College, Amman, (with distinction from the first batch).

Teaching Experience (2003-2021)

2006 - 2022 to date Full-time faculty member at the German Jordanian University. From 2011-2013, a faculty member at the American University – Madaba / leave without salary from the German Jordanian University.

2003-2005 Faculty member at Isra University and part-time teaching at the Arab Open University - Amman, Jordan

Subjects taught: Introduction to Education. Education in the Arab world. Teaching social and national education to students of the Faculty of Educational Sciences. "Educational Technology" (ED211), "Primary Education in the Arab World" (ED311), Self-Learning Skills (GR101).

Training courses at the international level

September-November 2010 the American Fellowship in Civic Education Leadership, Syracuse University, New York.

- "5-12 November 2016 University education in Germany". On the same date in 2017, another course on democracy, political pluralism, parties, governance and good governance at the invitation of the Friedrich Naumen Foundation (FNF).

- 27 – 29 November -2018 Feminist Leadership / University of Maryland - Khalil Gibran Chair for Values and Peace.

Points of excellence, creativity, advisory tasks and educational and cultural impact

- **2017-2018 Advisor to the Minister of Education - sabbatical year. Tasks performed:**

- **Prepared the draft "Code of Civic Educational Conduct Towards an Effective Educational Relationship and a Stimulating Environment for Jordanian School Students", which was approved by the Minister of Education and circulated for implementation in all Jordanian public and**

private schools. As a result, a letter was issued by the Minister of Education to train (5783) supervisors, counselors and school teachers, including teachers of evening schools designated for Syrian students and schools in Syrian refugee camps. 190 workshops.

Developing a proposed model for teaching "Social and Citizenship Skills to Basic Grade Students in Jordanian Schools".

Blueprint for the formulation and adaptation of the "Philosophy of Reconstruction and Renewal" to suit the needs of the development of the philosophy of education in Jordan.
Project Outline "Modernization of Social and National Education Curricula through the Integration of Controversial Issues, Social Problems, and Contemporary Events .

A foundational plan for teaching "The Golden Rules of Acceptance of Democratic Thought among School Students".

Developing a model "Guidance for writing a research paper according to the foundations of scientific research" for the higher basic education stage.

2018- Advisor to the Executive Council for the Development of Educational Curricula, Tasks Implemented: Evaluation of the General Framework of Educational Curricula for School Students in Jordan

2018-2022 - WPP Foundation Advisor "Women are Partners in Development and Progress in MENA Countries" with the support of the U.S. Department of State. I was considered one of the 50 most influential women in Jordan.

2015 Received the **shield of a distinguished faculty member from the German Jordanian University. To lead the blended e-learning project to teach national education to Jordanian university students**, within the agreement of the German University with the Queen Rania Al-Abdullah Foundation for Distance Education "Edraak" The impact of the project was implemented in 2015 initially at the German Jordanian University, then used at the Hashemite University, followed by the University of Jordan, as well as Isra University and the University of Limenos. It is planned to be circulated to all Jordanian universities at the request of the Minister of Higher Education.

2009 – Consultant for the social sciences and **humanities sector at the Higher Council for Science and Technology / Jordan within multiple tasks**. The most important of which is the promotion of teaching these sciences in Jordanian universities.

2008- **Educational Consultant for Jubilee Schools – Queen Noor Al-Jasin Foundation for Gifted Students.**

2006- Active member of the Higher National Committee - Ministry of Higher Education, within the task of planning the teaching of "**National and Civic Education**" as a **university requirement for students of all Jordanian universities, which will be implemented through the time span for the implementation of the article (2006-2022).**

2006-2009 I published two books on civic education and citizenship, which were approved to teach in a number of Jordanian universities. Including the German Jordanian University and Isra Private University.

2005 - According to the results of my doctoral thesis (whose title is shown among the academic qualifications (above), the **first recommendation, which includes teaching "civic and national education", was adopted as a compulsory university requirement for all students** of Jordanian public and private universities. By an official decision of the Ministry of Higher Education.
