

Applying for Visa to Jordan

1. If you have an **EU, Turkish, British, American** or **Canadian** passport, you do NOT need to get a visa before coming to Jordan. You can enter Jordan simply with a 30-day **Tourist Visa**, which can be bought directly at the airport upon arrival; it costs **40 JOD** (approximately 50 Euros).

This 30-day visa can then be extended without any problems in Jordan (by three months, and then again by three months). Different rules are applied for other nationalities; please refer to the Jordanian Embassy at your country for more information!

2. Later on, you can extend your Tourist Visa to **3 months** at the nearest police station to your living area. You must take the following documents with you:

- Your Passport
- Your GJU Student ID card
- A Confirmation of Registration at GJU (Ethbaat Taleb) – issued by the Registration Department
- Living Place Confirmation document – the IO will provide you with this document

3. You can extend this visa again, for **another 3 months** (6 months in total) as follows:

- You must go to the **Borders & Residence Department**, which is located in *Tla' Al-Ali, Amman* and take the following documents with you:

- Your Passport
- Your GJU Student ID card
- A Confirmation of Registration at GJU (Ethbaat Taleb)

- Alternatively, at the nearest police station, **if you have left Jordan during the first 3-months visa**, you will need the same documents mentioned in point 2.

- Check the website of the **Borders & Residence Department** for more information:

4. In case you have/want to stay **longer than 6 months** in Jordan, you should do the following:

- If you are planning to study at GJU for 2 semesters or to do an internship in Jordan after the end of your exchange semester at GJU, we recommend you to apply for a 1-year **Residence Permit** at the **Jordanian Ministry of Interior** during your first days in Jordan (after you get enrolled at GJU).

- Please let us know about that in advance, so that we can provide you with the requested documents and assist you through the whole process, which will take some time!
