PROFILE

A confident, versatile and self-motivated professional, with extensive experience since 1993, varied knowledge and skills across the higher education sector and ther public sector organizations, and an in-depth understanding of a diversity of detailed academic and research principles and practices.

Acknowledged as a highly focused and committed assistant professor, I possess excellent communication and administrative skills, and I am able to develop and maintain strong working relationships at all levels, external organisations, administrators and also faculty members, and in turn motivate staff and students towards the successful execution of shared objectives.

I am highly passionate about motivating staff and helping them to achieve their expectations, as demonstrated by the success of my career to date. I do believe that with my range of professional skills, as well as my ability to excel in fast paced, high-pressured working environments, I will add value to any business.

KEY KNOWLEDGE, SKILLS & EXPERTISE

- **Occupation-based** – Highly focused and driven Lecturer with a particular expertise in the Higher Education sector.
- **Networking-Based**: Has some very good connections worldwide as I had great opportunity to travel to several countries such as: Singapore, Taiwan, South Korea, Malaysia, Austria, and the UK. This was during my work with the National Economic Development Board. Germany since Sep 2015 when I started working with German Jordanian University which gave me the opportunity to work closely with Germans and dealt with around 130 German partner university to my current university GJU.
- **Dual Study teaching and supervision**: Being part of A German project through GIZ I had the opportunity to participate in setting up dual study track at the German Jordanian University along with teaching this track for two consecutive years 2022 and 2023.
- **German Higher Education System**: Being the coordinator of the German Accreditation process and worked on FIBAA to achieve the requirements of the German Higher Education Accreditation requirements (which has been granted to GJU), gave me the opportunity to understand the German Higher education policies and regulations and how Bologna system being implemented with German Universities.
- **Research –based**: Studying three years at the University of Salford was a great opportunity for me to understand and comprehend research methodology. While pursuing my PhD, i have an experience on how to use research paradigm, approach, techniques, data collection, and discussion and finally how to write up the thesis.
- **Administrative Skills** – A highly organised individual with excellent administration skills.
- **Tenacity** – Has the determination to overcome obstacles in order to deliver what is a required by the student.
- **Leadership** – Fosters team involvement creates inspiring solutions, sets direction and focus.
- **Negotiation** – Effective negotiator who can improve terms without sacrificing quality, service levels or relationships.
- **Relationship Management** – Builds relationships with students, and faculty members to exceed expectations.
- **Teamwork** – A supportive participant in teamwork, able to motivate and encourage others in the attainment of shared goals.
- **Communication** – Can relay information clearly, concisely and with confidence at all levels, so that the students I work with understand the objectives.
- **IT Skills** –Proficient in the use of Microsoft Office including Word and Excel.
- **Online teaching** – Tech oriented and very professional and competent
- **Languages** – Arabic (native) and English (fluent).
