*"What sets GEBC apart is its comprehensive approach to language learning and cultural immersion. From day one, I was equipped with the linguistic tools needed to communicate effectively in both German and English." — Dana Obaid - GEBC Alumni*

# School of Applied Humanities & Social Sciences

Experience transformation at SAHSS, offering diverse programs from bachelor's to doctoral studies. Our vibrant language and business communication courses blend theory with real-world applications, preparing students for global success as educators, translators, communicators, and social work professionals. Internships and hands-on experiences ensure readiness for various sectors, from research and academia to media and non-profits.

Join us at SAHSS, where every student's journey catalyzes change in a rapidly evolving world!

## Department of Applied Humanities

We aim to be a beacon of educational excellence in the Kingdom, pioneering innovative curriculum design and cross-cultural understanding. With a focus on language as a gateway to global citizenship, we foster respect for diversity and facilitate language acquisition in Arabic, English, and German. Every teacher is a language learner, and every student is a language learner, empowered to achieve their full potential in a multilingual environment. Through our trilingual approach, we promote international understanding and celebrate the rich cultural tapestry of GJU and Jordan.

### **B.A. Translation: German, English, Arabic:**

Experience linguistic excellence with our Program, setting standards since 2007. Unique globally, we offer equal proficiency in three languages, catering to diverse linguistic backgrounds. From honing language skills to mastering translation intricacies, our program prepares students for a transformative journey. With immersive experiences in Germany and prestigious internships, we shape future translators with a global perspective and boundless career opportunities.

### **Job Opportunities:**

Translator | Localization Specialist | Interpreter | International Relations Specialist | Cross-Cultural Consultant

### **B.A. German and English for Business and Communication:**

Embark on a transformative journey with our program, offering comprehensive training for versatile language professionals. Master German for communication and business, unlocking a world of career opportunities in various sectors. Experience life-changing immersion in Germany during the final year, gaining deeper cultural insights and enhancing future career prospects. Discover the transformative power of our program, where every step propels you toward a brighter future.

### **Job Opportunities:**

Business Communication Specialist | Marketing Coordinator | International Sales Representative | Cultural Liaison Officer | Public Relations Manager | Language Trainer

### **MA German as a Foreign Language (Thesis & Comprehensive):**

Step into the world of German language excellence with our Master Program in German as a Foreign Language "Deutsch als Fremdsprache (DaF)," launched in October 2006 at SAHSS. With the support of the DAAD and a host of scholarships, we've proudly graduated 132 students from 12 countries, making waves in the field. Our MA curriculum blends a solid theoretical foundation in linguistics, methodology, and cultural studies with hands-on practical experiences, ensuring graduates are well-equipped for success. Through internships within our Language Centre and university Bachelor programs, students hone their skills and explore diverse career avenues. Admission is open to those with a bachelor's degree in German language, literature, or related fields, coupled with a passion for German culture and teaching, as demonstrated during our rigorous selection process.

### **Job Opportunities:**

Language Educator | Language Program Coordinator | Intercultural Trainer | Language Assessment Specialist | Cultural Exchange Program Coordinator

### **Ph.D. in German as a Foreign Language:**

Embark on a transformative journey with our joint Ph.D. (Deutsch als Fremdsprache), offered in partnership with Freiburg University of Education. Designed to empower qualified students from the MENA region and beyond to earn a prestigious doctoral degree. Tailored for graduates with a master's degree in German-related fields, such as German Studies or Applied Linguistics, our program aims to advance research in language learning and teaching while equipping academic staff with expertise in scientific methods, linguistics, cultural studies, and more. Ideal for those aspiring to academic careers in the MENA region, our program emphasizes a passion for German language and culture, along with a commitment to teaching. Admission criteria include submission of a comprehensive research proposal, a stellar academic track record, and proficiency in the German language.

### **Job Opportunities:**

University Professor | Researcher | Curriculum Developer | Educational Consultant | Language Assessment Specialist | Corporate Language Trainer

*"Studying German as a foreign language has been an incredibly enriching journey, broadening my cultural horizons and fostering a deep appreciation for linguistic diversity."* — Tala Mismar – MA DaF Alumni

## Department of Social Work

Join our diverse community shaping Social Work's future, nurturing globally competitive professionals committed to serving displaced populations. Our programs, including MA tracks in Migration and Refugees or Clinical Social Work, and Professional Certificates, empower graduates for impactful careers worldwide.

**Professional Training in Mental Health and Community Work:** Immerse yourself in the transformative field of mental health. This specialized postgraduate program provides a comprehensive understanding of mental health issues amidst social and socio-political change, blending national, regional, and international perspectives. Tailored to accommodate diverse disciplines, it serves as a unique opportunity for students worldwide, including those from GJU's partner universities in Germany, to delve into community-relevant mental health assessment techniques. Join us at GJU, where innovation meets impact, and embark on a journey to drive positive change in mental health.

### Job Opportunities:

Mental Health Counselor | Community Outreach Worker | Case Manager | Mental Health Advocate | Rehabilitation Specialist NGOs | INGOs

### Professional Training in Social Work: Refugees and Migrants:

Explore the realm of social work with our Professional Training Certificate in Social Work: Refugees & Migrants at the German Jordanian University (GJU). This specialized program offers a comprehensive understanding of refugee challenges, blending national, regional, and international perspectives. Tailored for practitioners and professionals, it provides practical knowledge within a condensed timeframe, with online lectures bridging theory and practice. Join us in making a difference in the lives of refugees and migrants, shaping a more inclusive future.

### Job Opportunities:

Refugee Resettlement Coordinator | Case Manager | Advocacy Officer | Humanitarian Aid Worker | NGOs | INGOs

### MA Social Work: Migration and Refugees (Thesis & Comprehensive)

Amidst the global challenges of displacement, Jordan stands as a vital hub for refugees seeking sanctuary. Recognizing the shared responsibility in addressing these complex issues, GJU launched a pioneering postgraduate program focused on social work with a specialization in Migration and Refugees. By integrating national, regional, and international perspectives, this program equips professionals to navigate the multifaceted needs of refugees across various sectors.

With a blend of theoretical learning and practical experience, the program aims to elevate the quality of social services provided and contribute to the professionalization of social work both locally and regionally. Join us in shaping a more compassionate future for refugees and migrants.

### Job Opportunities:

Refugee Resettlement Specialist | Policy Analyst | NGO Program Manager | Cultural Liaison Officer | NGOs | INGOs

### MA Social Work: Clinical Social Work (Thesis & Comprehensive)

This program offers a dynamic blend of theoretical learning and hands-on experience, equipping students with the skills and expertise to make a real difference in the lives of individuals and families. With a focus on clinical practice, students gain insights into various therapeutic approaches, intervention strategies, and ethical considerations. Whether you aspire to become a licensed clinical social worker or pursue a career in mental health counseling, our program provides the foundation for success in this rewarding field. Join us in shaping a brighter future for those in need of compassionate support and guidance.

### Job Opportunities

Clinical Social Worker | Mental Health Counselor | Crisis Intervention Specialist | Child & Family Therapist | NGOs | INGOs

## Department of Basic Education

Welcome to our dynamic Department, where we mold tomorrow's leaders with a curriculum spanning Arabic, English, Military Science, and National Education alongside captivating electives like Leadership and Intercultural Communications. Beyond knowledge transfer, we empower students to articulate themselves with confidence, fostering a deep appreciation for language as a gateway to diverse perspectives. With dedicated faculty and comprehensive programs, students thrive in our nurturing environment, mastering language skills and cultural exchange. We offer placement tests in English and Arabic to ensure linguistic proficiency, preparing students for success in their chosen fields. Join us on a transformative journey where you'll broaden your horizons and redefine excellence in global communication.

### Placement Tests

The Department is responsible for conducting two placement tests:

- Arabic Language
- English Language

These essential exams – a must for all students before embarking on their first semester. Not only are they mandatory for registration, but success also grants students invaluable exemptions from pre-courses with zero credit hours.

### Courses Offered in the Department:

Mandatory Courses for all majors:

- Arabic Language Levels
- English Language Levels
- Military Science
- National Education

Elective Courses for all majors:

- Soft Skills
- Sports and Health
- Intercultural Communications
- Technical and Workplace Writing
- Leadership and Emotional Intelligence
- Social Entrepreneurship and Enterprises

## Dual Study

Step into the vibrant world of the GEBC Dual Studies program, where language mastery, business expertise, and communication finesse collide to create future leaders. This program offers hands-on learning experiences that go beyond the classroom. Imagine deciphering business strategies in multiple languages, backed by real-world applications and insights from local and international partner companies.

At the heart of this program lies the Dual Study Track, a groundbreaking initiative that blends education with practical training. From journalism to cultural work to business management, the GEBC Dual Study program opens doors to diverse career paths. With options to pursue further studies, such as an MA in German as a Foreign Language, and a focus on adapting to the evolving job market, graduates are not just prepared – they're ahead of the curve. Join us at the German Jordanian University and embark on a transformative journey where language, business, and communication converge to shape the leaders of tomorrow.

### Dual Study Local Industry Partners

*"Choosing SAHSS for my BA studies was one of the best decisions I've made; the innovative curriculum, dedicated faculty, and vibrant campus community have empowered me to excel academically and thrive in my chosen field." — Saba Alajarmeh - Translation Alumni*
