

## **Brief CV**

### **Natheer Abu-Obeid**

Vice President and Full professor of Architecture - GJU

Previously Dean of the College of Architecture and Design - Jordan

University of Science and Technology (JUST).

Before that: Architectural Expert – UNDP (United Nations Development Program), and  
attached advisor to Projects Development Sector - Kuwaiti Ministry of  
Planning - Kuwait

I have been holding a Ph.D. in architecture from Texas A&M University –  
USA since 1993, with focus on behavioral theories of architecture.

Since then, I have been teaching and practicing architecture in Jordan and  
the Gulf region.

In addition to my academic experience in Jordan and Kuwait University, I  
have worked with the private sector in Jordan and Saudi Arabia, with the  
UNDP and with the Ministry of Planning in Kuwait.

I have many publications on architecture and environmental psychology in  
international journals and conferences.

I also had the chance to conduct a large number of professional studies for  
governmental and international agencies, in addition to the private sector.

I have won The Caudill Fellowship for Architectural Research from Texas  
A&M University and CRSS - USA

Finally, I have been awarded the Jordan State Award of Recognition in  
Architecture

(جائزة الدولة التقديرية في الهندسة المعمارية).
