Education

- [Oct 2005- Jan 2011] Bachelor's Degree in Industrial Engineering and Management Systems, German-Jordanian University (GJU), Amman, Jordan.
- [Mar 2009- Aug 2009] Winter semester, Aalen University, Aalen, Germany.
- [Jul 2005] AlTawjihi, AlShahid Faisal II College, Amman, Jordan.

Work Experience

- [Aug 2009 – Jan 2010] Aage GmbH (Aalener Society for lightweight components) Aalen, Germany, as an intern in the production department. During my practical semester I was involved in many tasks, starting with a comprehensive evaluation for all operations at the plant, the work flow, and the casting processes inside the factory. After that I shared in conducting safety and ergonomics study for safety issues. Also I shared in redesigning the work stations to eliminate non- value added activities and reduce the cycle time. And finally, I used forecasting models to forecast the future demand of the raw material needed in order to satisfy the demand.
- [14– 28 Jun 2007] and [1– 14 Sep 2007] Municipality of Greater Amman, as Trainee in the quality department. During my training I was trained on: ISO 9001, 2000 specification and quality management systems applied at Municipality of Greater Amman.
