

## Announcement for German I Pre-Course

Dear newly admitted students at the GJU,

We welcome you to your German pre-course, which is compulsory to register in "German I" (GERLB101B1) at GJU. The pre-course will take place from **20<sup>th</sup> of September to 1<sup>st</sup> of October** in person on GJU's main campus. The course hours are daily from **9:00 to 14:00 (3 lectures a day)**. Information on your classroom can be retrieved from the **myGJU portal** shortly before the start of the pre-course. You need to log in with your GJU username and password and check your schedule.

We accept late entry to the pre-course due to new registrations up to 2 pm on the first day of the course. For late registration please contact the Admission and Registration Department in Building G or the Open House in Building L ground floor on the main campus. Please note that you may be **absent for a maximum of 1.5 days (4.5 lectures)** in order not to be excluded from the course.

The required course material is "**Momente A1.1**" and "**Momente A1.2**" from Hueber Publishing House. Please purchase the **A1.1 textbook and workbook** (*Momente A1.1 Kursbuch* and *Momente A1.1 Arbeitsbuch*) in print format, as well as the **digital interactive book edition (eBundle)**, before the pre-course. The books and access codes for the digital book edition are available at **Pen & Pencil Bookshop**, located in **Backyard Mall, opposite the university**. They are available there at a special **GJU package price**.

These books will be used both during the pre-course and in the "**German I**" course.

Students who have already passed a recognized language certificate or who prove their German language skills through a placement test can be exempted from German courses at GJU. Original language certificates must be presented at the time of enrollment at GJU in Office 209 in Building L. The **placement test** for students with German language knowledge but without acquired certificate will take place on **16<sup>th</sup> of September**. Please register for the placement test with your e-mail address and phone number at the German Language Center (GLC). After successful registration for the placement test, you will receive detailed information about the test.

**Students who previously took "German I" at GJU without having passed it, and who wish to register in "German I" in 1<sup>st</sup> of 2025/26, also need to register for the pre-course.** The pre-course is a mandatory requirement for "German I". Please contact the Admissions and Registrations Department ahead of the pre-course to secure a spot.

The **timetables and stops for the GJU buses** will be published on the GJU website.

We wish you all a successful start for the new academic year 2025/2026 and are very much looking forward to seeing you in our German courses.

Best regards,  
Your German Language Center (GLC)
