

## Call for Abstracts

 Join us at the 11th Jordanian Geological Conference in Amman, Jordan!

 **Date: October 23, 2024**  **Location: Amman, Jordan**  **Session: "Geoparks and Geological Tourism"**

As part of the upcoming conference organized by the Jordanian Geologists Association, a dedicated session on "Geoparks and Geological Tourism" will be held at the Center for the Study of Natural and Cultural Heritage CSNACH on the campus of GJU. Mark your calendars for October 22-24, 2024, for this insightful event.

## Main Topics:

1. Laws for the protection of geo-heritage on international and national levels.
2. Databases and classification methods for geo-heritage.
3. Management of Geoparks.
4. Promotion of Geotourism.
5. Role of Geological Museums.
6. Potentials and challenges of Geoparks.
7. Any other related issues.

Experts in this field are cordially invited to attend and participate. Abstract submissions are open until August 1st, 2024. For more details and abstract submissions, kindly reach out to Professor Nizar Abu-Jaber (nizar.abujaber@gju.edu.jo).
