2026 Surplace Scholarships for B.A. Translation (German-English-Arabic) – Call for Applications

The Magdeburg-Stendal University of Applied Sciences is granting scholarships annually for the most meritorious students out of funds provided by the German Academic Exchange Service (DAAD). The scholarships are granted per year and may be extended each subsequent year of the studies under the condition that the performance of the scholarship holders stays consistently above average (GPA above 80%) and that funds provided by the DAAD remain available.

Students from Jordan and neighboring countries can apply for Surplace Scholarships for 2026/2027, starting from June 2026. The deadline for submitting the applications is **12 September 2026**.

Pre-Requisites and Application Requirements

In general, students who apply for studying in the B.A. Translation Program can also apply for a scholarship (minimum school GPA 70%). Applicants should fill in the form in the following link: [Application Form](#)

The best applicants will be selected for a scholarship based on the school GPA, the motivation letter, and, upon invitation, an interview as well as an English/Arabic proficiency test.

The interviews and English/Arabic proficiency test are scheduled to take place at the beginning of September 2026 at GJU in Madaba.

The Surplace Scholarships comprise of

- a lump sum (2500,- Euro per year, paid in two installments) that covers part of the study fees at the GJU (for the study fees please see: [GJU Tuition Fees](#))

German Year Scholarships

Like all GJU students the B.A. Translation students spend their fourth year in Germany (academic semester and internship). For this German Year specific scholarships are available for B.A. Translation students, which comprise of

- a monthly allowance that approximately covers the costs of living (there are no major study fees in Germany)
- a travel allowance for the trip to Germany

The German Year scholarships are distributed among the most meritorious Translation students based on the GPA (at the end of the third academic year) and the availability of funds.
