-

Courses and Training

- **Autodesk Fusion 360 Workshop**
18 hours, February 2017
Issued by: Omni Plan (Autodesk Academic Partner)
- **Excellence in Resources and Supply Chain Management**
12 hours, March 2017
Issued by: EJABI
- **Lead Implementer Training ISO 9001:2015**
30 hours, April 2019
Issued by: GJU Consultation and Training Center.
- **Safety for Laboratories, Electrical and Mechanical Technicians**
18 hours, March 2020
Issued by: CESF
- **Building Site Responsible for safety**
18 hours, April 2020
Issued by: Engineering Training Center
- **Labour Market Oriented Vocational Education**
30 hours, June 2023
Issued by: Roya Academy
- **Innovation Management: Innovation Associated**
15 hours, November 2023
Issued by: GJU
- **Intermediate Level Excel Training**
20 hours, February 2024
Issued by: GJU
- **Total Quality Management Training**
20 hours, June 2024
Issued by: GJU

- **3D printing & CNC Router Workshop**
8 hours, July 2024
 - **Machine Learning Algorithms Training**
30 hours, September 2024
Issued by: GJU
 - **Power BI Training**
30 hours, 2024
Issued by: GJU
 - **Project Management Professional PMP Preparation**
20 hours, 2024
Issued by: GJU
 - **Time Management Training**
20 hours, 2024
Issued by: GJU
 - **Effective Communication Skills Training**
20 hours, 2024
Issued by: GJU
-

Skills

- Sponsorship and Grant Management
 - Technical Skills: Advanced Excel, Minitab, SolidWorks, Autocad, and 3D printing.
