

## Field Training: Q&A

### When to apply for a local training?

- When you finish your third year.
- When you find an acceptable industrial partner, who accept giving you a training opportunity

### How to find an industrial partner?

- Pick up a partner from the already approved list of industrial partners
- If you have found a new partner not listed, you may send the Field Training Coordinator, the following details about the company for approval:

PCE Field Training Companies	الاسم بالعربية	العنوان	هاتف	موقع الكتروني

- Contact the industrial partner and get an approval
- Send the industrial partner a signed application letter from the Field Training Coordinator

### How many hours or days need to be spent in the field training:

You must complete 160 hours (or 20 working days for 8 hours a day)

### How to prove the successful completion of the field training?

Ask the company to fill in the evaluation form (annexed to the application letter), sign and stamp.
