**HIS MAJESTY
KING ABDULLAH II**

“Dear Chancellor Merkel, I can say that I am very satisfied with our cooperation on a bilateral level. Above all, with such successful projects as the German Jordanian University. This is certainly one of the most successful projects I’ve seen in my country in the last ten years. We hope that we can move forward on this basis even further.”

**HIS ROYAL HIGHNESS
CROWN PRINCE AL-HUSSEIN
BIN ABDULLAH II**

**PRESIDENT OF THE
GERMAN JORDANIAN
UNIVERSITY**

Your Excellencies, distinguished
guests, parents and graduates,

**Welcome to GJU's 11th Graduation
Ceremony.**

Yes... it has been an extremely
challenging year! And yet, we have
chosen to succeed... Covid could not,
and will not, stand in our way.

I believe you always have a choice:
to either fold in the face of turmoil,
or face it. And we made the active
choice to create one of the best
years in GJU history... because our
students deserve the very best of
what we have to offer.

This year's graduation also coincides
with the university's fifteenth

birthday. So not only are we
celebrating our beloved graduates,
but we are also commemorating a
crucial milestone for the German
Jordanian University.

Despite the immense difficulties the
world - as well as Jordan - is facing
during this pandemic, we were able
to not only survive but also excel in
online learning, distance education
and remote work.

Our dearest students, we urge you to take pride in your outstanding accomplishments despite the chaos that the Corona virus has created worldwide. You excelled and triumphed in a time many have crumbled and surrendered. Forever remind yourself of just how strong and resilient you truly are, and how much you are able to achieve - no matter the circumstance.

12 | 13

Last, and certainly not least, I would like to thank our teachers for keeping up their cheerful energy and good spirits behind their screens, and staying hopeful that one day, very soon, they will be reunited with their students in the comfort of their classroom. Let us celebrate this great achievement with our

Let us celebrate this great achievement with our dearest students; congratulations and God bless you all.

Student Affairs

SCHOOL OF ARCHITECTURE AND BUILT ENVIRONMENT

DEAN
Prof. Ziyad Haddad

ACTING VICE DEAN
Dr. Maram Altawil

UNIQUE FEATURES

40 | 41

- Unique and inspiring location in the olden sectors of Jabal Amman
- Excellent cultural and intercultural communication skills
- Faculty members with international and industry experience
- Highly competitive entrance exam for applicants to the bachelor programs
- Academic programs, of a multi-disciplinary nature at the undergraduate and graduate levels, tailored to meet the local needs
- Market-ready graduates

ACTING HEAD OF DEPARTMENT
Dr. Maram Altawil

DEPARTMENT ARCHITECTURE AND INTERIOR ARCHITECTURE

B.Sc. Architecture
M.Sc. Spatial Planning
M.Sc. Architectural Conservation

SCHOOL OF ELECTRICAL ENGINEERING AND INFORMATION TECHNOLOGY

DEAN
Prof. Raed Mesleh

ACTING VICE DEAN
Dr. Rami Al Azrai

UNIQUE FEATURES

- Profound understanding of computer science, electrical and computer engineering built on a foundation of physical science, mathematics, computing, and technology
- Industry-oriented educational partnership
- Integrated and applied knowledge in informatics and computing
- Highly qualified graduates who can conduct their adequate leadership training within the local and global markets. (Graduation and capstone projects initiated from industry needs in Germany and Jordan)
- Faculty members with outstanding international and industry experience

ACTING DEAN
Dr. Arwa Abdel Hay

UNIQUE FEATURES

- State-of-the-art laboratories and workshops
- Academic Programs addressing all energy, water, and environment challenges in Jordan and the region
- A new program in Civil Engineering offered to develop professional and creative engineers fulfilling careers across all spectrums of civil engineering disciplines to guarantee a direct entry of the students into the profession
- Interlinking theory with practice at all stages of the learning process
- Applied research in the area of energy, water, and environment solutions
- Many exchange programs at the Master level students available
- Strong Linkages with many industrial partners in the area of renewable energy, water, and environment
- Real Scale Pilot Plants for renewable energy and water quality management
- Green technology solutions for campus
- Faculty members with excellent international and industrial experience in different fields of energy, renewable energy, water resources, climate change, and environmental engineering and management
- Market-ready graduates
- Distinguished links with industrial partners and continuous counseling services in the areas of energy and water engineering

SCHOOL OF MANAGEMENT AND LOGISTIC SCIENCES

ACTING DEAN
Prof. Malek Alsharairi

ACTING VICE DEAN
Dr. Bassam Maali

UNIQUE FEATURES

- **Internationalism.** Students acquire German language and receive local and international education and training
- **Specialism.** Specialized academic programs developed to enrich students' knowledge, skills and competencies within an applied education setting
- **Uniqueness.** The first Bachelor and Master's programs in Logistic Sciences in Jordan and the region
- **Expertise.** Faculty members with excellent international and industry experience
- **Recognition.** Logistic Sciences students can receive an additional certificate by the European Logistics Association (ELA) upon graduation
- **Certification.** International Accounting students are prepared to receive globally recognized professional certificates such as CMA and CPA
- **Competitiveness.** High caliber graduates who can strongly compete in the local and global job markets
- **Employability.** A wide local and international network of industry partners to boost the employability of our alumni, who are 90% employed

GRADUATE SCHOOL OF BUSINESS ADMINISTRATION

DEAN
Prof. Mamoun Akrouh

ACTING VICE DEAN
Loiy Bani Ismail

UNIQUE FEATURES

- Excellence in business education and quality of teaching
- Applying the case study approach in learning
- Implementing responsible and ethical practices
- Responsible freedom of thought, innovation and creativity
- Encouraging mutual collaboration between GSBA and industry
- Faculty with excellent industry experience
- Accredited by the Foundation for International Business Administration Accreditation (FIBAA)
- High employment rate of graduates
- Unique location in Amman, King Hussein Business Park

UNIQUE FEATURES

- SBSH prepares GJU students to become proficient in the English language by their third academic year.
- We train our students to face the real world through promoting Intercultural Communication; Soft Skills; Leadership and Emotional Intelligence; and Entrepreneurship and Enterprises.
- We arm our students with the basics of Physical Sciences and Mathematics that will help them think critically of the various engineering problems that they will face in their professions.
- SBSH faculty members are heavily involved in interdisciplinary research projects with most of the engineering specializations faculty members at GJU.
- SBSH faculty members were able to obtain funds for many research projects from many international research funds such as DAAD, Erasmus plus, Jordanian Scientific Research Fund, DFG, among others.
- National Education faculty members at SBSH were pioneers in achieving an online National Education course through the EDRAAK platform, which is shared by many other Jordanian Universities.

SCIENTIFIC RESEARCH

Deanship of Scientific Research (DSR) provides counseling, funding, and support services to faculty and students to conduct genuine research and produce quality publications. These services aim to enhance the researchers' experience and guide them along their journey to complete their national and international research projects

Mission

DSR supports the growth and excellence of research at GJU with the vision of becoming a reputable national and international research institute. To this end, DSR:

- Identifies, supports, and rewards excellence in scientific research and applied sciences.
- Builds and strengthens national and international research communities and networks.
- Increases research impact through dissemination, industry outreach, and technology transfer.
- Develops partnerships with research sponsors and potential local and external funding agencies.

Mohammad Qaaqa

“GJU HOLDS ALL THAT MEANINGFUL CONCEPTS OF EXCELLENCE, CREATIVITY, SENSE OF BELONGING AND SCIENCE TO BE THE KNOWLEDGE GATE BETWEEN JORDAN AND THE WEST, AND THE SUCCESS STORY OF MANY PEOPLE THAT WOULD BE LOOKING FORWARD.”

286 | 287

The Deanship of Student Affairs (DSA) is in charge of all non-academic affairs in the University. It encompasses providing help for students through training and career counselling, financial support of students in need, organizing all extra curricular activities and student trips, networking and following up with alumni, sport, art, and music activities, including student clubs and teams, psychological and empowerment services, international and Arab student affairs to facilitate their studies at GJU, organizing student elections and polls, and overseeing relationships with student bodies and organizations.

COUNSELLING & EMPOWERMENT SERVICES (CAPS)

To all students at GJU, either through its qualified staff or through its wide spread referral system.

STUDENT SERVICES DEPARTMENT

The Department is responsible for providing services related to student funds and financial support, medical services, issuing student ID cards, car permits, Arab and international student affairs, and international students' exhibition.

KING ABDULLAH II FUND FOR DEVELOPMENT | CAREER GUIDANCE & ALUMNI OFFICE

The Department is responsible for providing high quality training and career counselling services based on individual assessment. This helps students understand their strengths and makes them career personality fit. KAFD also supports students' academic related travel.

STUDENT ACTIVITIES DEPARTMENT

The Department is responsible for the non-academic activities such as: sports activities, national, social and cultural. Also the Department is responsible for forming and monitoring student clubs, organizing student elections.

PROJECT OFFICE | MISSION

The five employees of the GJU project office at UAS Magdeburg-Stendal coordinate the German network of university and business partners and participate with Prof. Dr. Anne Lequy in the strategic planning of GJU. Among other responsibilities, the total German budget of the project and its pending scholarship programs is supervised at the GJU project office in Magdeburg, including managing and accounting for scholarship payments and reporting to the German Academic Exchange Services as well as to other stakeholders. The team is also responsible for the student support during the German Year and the Alumni Ambassadors Program for GJU-graduates studying and/or working in Germany

OFFICE OF THE VICE PRESIDENT FOR INTERNATIONAL AFFAIRS | MISSION

The international and the German dimension at GJU - this is what the Vice President for International Affairs and his office are responsible for.

Building and strengthening bridges between Jordan and Germany is the main mission of GJU's Vice President for International Affairs. Students, lecturers, researchers, cooperation partners, and politicians can travel on these bridges and meet in between with regard to international, intercultural, scientific and application-oriented exchange and knowledge transfer. Networks arise from bridges and friendships arise from travellers.

GERMAN LANGUAGE CENTER | MISSION

The German Language Center (GLC) is a central unit of the German Jordanian University (GJU) with the task of preparing all students of the university's undergraduate programme for their compulsory so-called German Year. Every year, around 700 GJU students travel to Germany to spend a study semester at one of the more than 100 German GJU partner universities and a twenty-week internship in a company in Germany. A unique feature of the GJU with transnational educational character is that all Bachelor students, without exception, start a study period in Germany. This is politically intended and underlines the particularly strong, continuous reference to Germany of the Transnational Education Project, which is wanted by both governments and supported by the German Government.

OFFICE FOR INDUSTRIAL LINKS | MISSION

One of GJU's main features is the university's strong cooperation with the industry. To foster this collaboration, the Office for Industrial Links (OIL) was established in 2009. It is responsible for building up and facilitating sustainable university-industry partnerships by organizing special business events, lectures, workshops, and company presentations, and providing career services for its students and graduates. Further, it advises staff and partners from industry about different aspects of GJU's Dual Study Tracks and is strongly involved in GJU's alumni and entrepreneurship activities through its Program Innovation and Entrepreneurship (PIE).

Every year, floods in Petra pose a dire threat to the residents, guests and monuments of Petra. Flash floods occur with little warning, and the narrow channel formed by the Siq and the courtyard of the Treasury become inundated with water. Obviously, this is of great concern to the Petra Development and Tourism Regional Authority.

With funding from the US Ambassadors Fund, CSNACH is the process of tackling this issue by reviving the Nabatean flood control system. Using modern documentation, monitoring and modelling tools to assess the system and ancient flood control measures to tame the torrents and harvest the flood water for useful purposes.

LEGAL CONSULTANT OFFICE

ADVOCATE AND LEGAL
CONSULTANT
Omran Hawawsheh

We serve GJU with the highest quality of legal services on both local and international levels. Furthermore, among our duties is to coordinate, follow up and close monitoring of all legal issues with the GJU departments. We advise GJU on all legal issues related to its operations and activities including drafting, reviewing and monitoring all kinds of agreements, contracts and memorandums of understanding.

INTERNATIONAL PROJECT OFFICE

DIRECTOR
Rasha Al-Homoud

The main mission of the office is to provide administrative support for faculty members at GJU, promote the University abroad successfully and execute the projects that are funded by international programs and agencies. In particular, the International Projects Office main tasks are:

- Facilitate faculty participation in the international projects related to the higher education capacity building, consultations, collaborations, and academic development.
- Assist faculty members to develop proposals, agreements and contracts of the grants and provide them with all necessary information and resources.
- Provide project coordinators with administrative and logistics support to accomplish the project activities.
- Help project coordinators to ensure the fund agreements, contracts and regulations are applied.
- Provide networking with international universities and funding agencies.

HIGHER EDUCATION FOR YOUNG SYRIANS AND JORDANIANS PROJECT

EDU-SYRIA is a framework that helps Syrian refugees in Jordan and under-privileged Jordanians from refugee host communities to gain access to higher education through a set of scholarship programs. EDU-SYRIA supports the “No Lost Generation” strategy, which aims to provide those affected by the conflict with the chance to shape a more stable and secure future.

The project consists of two components: EDU-SYRIA I and EDU-SYRIA II. German Jordanian University (GJU) manages both projects under the name of GJU President Prof. Manar Fayyad as the Project Director and Dr. Dhiah el Diehn Abou-Tair as the Project Manager.

YEARBOOK COMMITTEE

Thanks to everyone who contributed to producing this book; this documentation of hard work and accomplishment. We would also like to thank our photographers who worked hard to capture all these moments of pride and your beautiful smiles.

It was a pleasure creating this book. Hope it will be a lifetime companion that keeps a memory for all the people you have met, befriended, and worked with in your journey at GJU.
