Notes:
- The application and CV’s must be filled on the following link https://docs.google.com/forms/d/1FTteOWSYMGbv6jn3Rc25dpwmvHJ7poTxgy8y8EZPok/edit
- Please note that only short-listed candidates will be contacted.
- Any proposals received after July 7th 2023 will not be accepted.
- Women candidates are encouraged to apply.

Introduction

We are looking for a part-time senior platform designer to manage the end-to-end design process including creation of design concepts, developing interactive prototypes, devising and conducting experiments and delivering applications. Develop and maintain a design system for our various applications.

The best candidate is someone who can work collaboratively with the GJU team, is passionate about web development, and has a deep understanding of front-end and back-end development technologies and methodologies. If you are looking for a challenging and new exciting opportunity, you can apply!

Job Description and Responsibilities
- UI/UX Design
- Visual Design
- Responsive Design
- Interaction Design
- Design Documentation
**Minimum Qualifications**

- Bachelor’s degree in design, human-computer interaction (HCI), or a related field (or equivalent experience).
- Proven experience in platform design, UI/UX design, or related roles.
- Proficiency in design and prototyping tools such as Adobe Creative Suite, Sketch, Figma, or InVision.
- Strong understanding of user-centered design principles and methodologies.
- Knowledge of responsive design and accessibility best practices.
- Familiarity with front-end development technologies (HTML, CSS, JavaScript) and their impact on design implementation.
- Creative thinking and problem-solving skills.
- Excellent communication and collaboration skills to effectively work with cross-functional teams.
- Attention to detail and ability to work on multiple projects simultaneously.
- Ability to adapt to evolving design trends and technologies.

**Duration of the Work**

This assignment is expected to be finalized within **10 working days**, from **July 10th to Sep 30th, 2023**.

**Payment Milestone**

The consultant will be paid a rate of **150 euro/Day for a maximum of 5 working days per month**, and the payment will be issued after submitting the required task.
