Jumanah_Alhurani@yahoo.com | +962-798889011

Amman - Jordan

Birth Date: June 3rd, 1992

Professional Summary

Nursing Educator with over 11 years of experience in clinical nursing practice, nursing education, staff development, and simulation-based training, including extensive clinical experience at King Hussein Cancer Center. Holds a master's degree in nursing administration and has experience in clinical instruction, nursing leadership, competency assessment, staff orientation, and professional development.

Experienced in supporting the development of nursing students and practicing nurses through clinical teaching, mentorship, competency-based education, and simulation-based learning. Previous clinical and leadership experience includes working with multidisciplinary teams, supporting quality and patient safety initiatives, and contributing to the development of nursing practice and staff competencies.

Certified American Heart Association (AHA) BLS, ACLS, and PALS Instructor, with previous experience as an AHA Training Center Coordinator (TCC). Skilled in simulation facilitation, clinical skills training, curriculum implementation, competency assessment, and continuing professional development.

Brings a clinical and educational perspective to nursing practice, with a focus on patient safety, evidence-based practice, critical thinking, and the development of competent and confident nursing professionals.
