The Best of Both Worlds!!

GJU
10 Years

الجامعة الألمانية الأردنية
German Jordanian University

School of Computer Engineering and Information Technology

Undergraduate Programs:

- B. Sc. in Computer Engineering
- B. Sc. in Communication Engineering
- B. Sc. in Computer Science

Graduate Programs:

- M. Sc. in Computer Engineering
- M. Sc. in Enterprise Systems Engineering (new)
  (a joint program with Princess Sumaya University for Technology)
- M. Sc. in Autonomous Systems (new)

Unique Features:

- Industry-oriented educational model.

- Integrated and applied knowledge in informatics and computing.

- Commitment to teaching, research, and innovation.

- Highly qualified graduates who can conduct their adequate leadership training within the local and global markets.

- International and industry experienced faculty members.

- Profound understanding of computer science and engineering built on a foundation of physical science, mathematics, computing, and technology.

- All students, at the Bachelor level, must spend one year in Germany; studying for one semester at a partner university and fulfilling 20 weeks internship in the German industries as a compulsory requirements of graduation.
