

How to Use Transportation In Germany

Types of Transportation

Transportation in Germany

- Please try not using taxis, UNLESS you are in emergency case.

- **Taxis** are expensive in Germany compared to Jordan. A distance of usually 2 JOD can quickly be 15 €.

- If your destination is near by your accommodation, try use your legs, sport opportunity !

Transportation in Germany

- Bicycle is a great choice to have it in Germany, In Germany you can notice that most of the employees use their own bikes to get into their works, shopsetc
- Lets help our Environment 😊

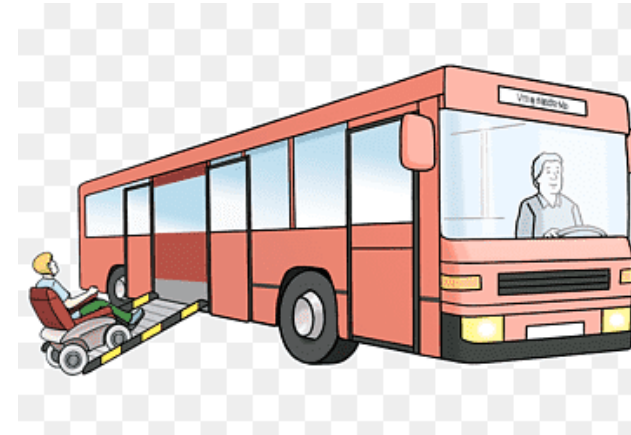

Transportation in Germany

Buses

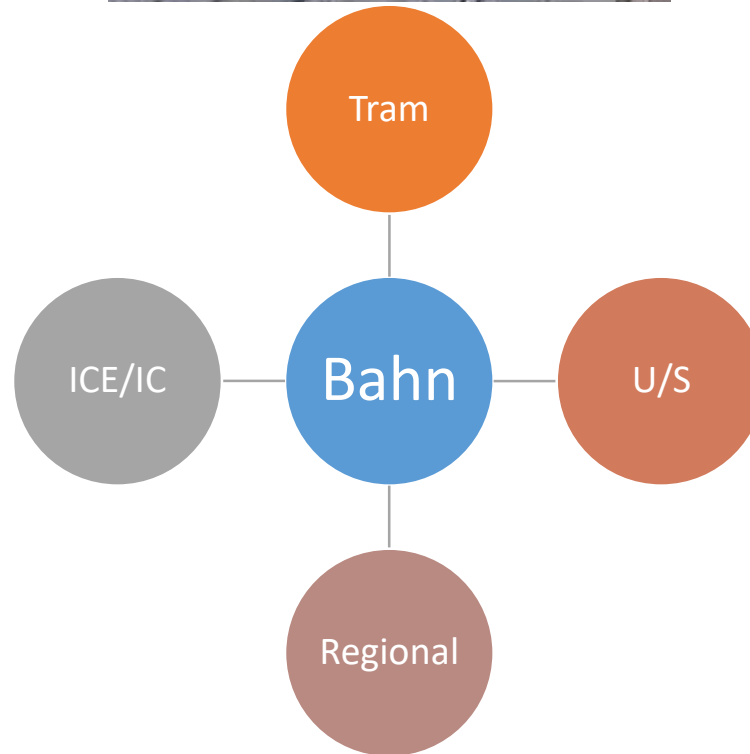

- Prices are often lower than [competing train services](#).
- Buses are usually slower than even regional train services, unless the connection by bus is more direct.
- Timetables and schedules in Germany are fixed. All transportations run exactly on time. Nobody is waiting for you.

Walking in the same lines with buses.

Expensive- The fastest 😊

Trains work under the ground

Generally they are in normal speed –normal prices

Transportation in Germany

- Please ask your University -**International Office**- in your host university, You usually get a **semester ticket**.
- **Semester ticket** you can use it to take buses, trams, and **some times** U/S and Regional Bahn inside your City/Bundesland.
- ICE/IC is a **private choice**.

Keep in mind !

- Fare dodging (SCHWARZFAHREN) costs min. 40€

Don't Do That!

Keep in Mind !

Behave well inside the transportations, respect people's personal space, keep down the noise, be aware of other people's need, don't eat smelly food, please be on time because no one will wait you.

REMEMBER! You are an ambassadors of Jordan in Germany. You are the representatives of your culture and religion.
