## YEARBOOK COMMITTEE

06

**TABLE OF CONTENTS**

## **HIS MAJESTY KING ABDULLAH II**

“Dear Chancellor Merkel, I can say that I am very satisfied with our cooperation on a bilateral level. Above all, with such successful projects as the German Jordanian University. This is certainly one of the most successful projects I’ve seen in my country in the last ten years. We hope that we can move forward on this basis even further.”

**HIS ROYAL HIGHNESS  
CROWN PRINCE AL-HUSSEIN  
BIN ABDULLAH II**

## PRESIDENT OF THE GERMAN JORDANIAN UNIVERSITY

Prof. Ala'aldeen Al-Halhouli

### Dear GJU Ambassadors,

GJU takes great pride in your achievements. Your families have eagerly awaited this day to honor your academic voyage. The path wasn't easy, but the outcome is a significant triumph. The puzzle is now complete, and you can rightfully take pride in your accomplishments and growth.

This success is a testament to the vision and guidance of His Majesty King Abdullah II, as well as the unwavering support and invaluable collaboration with our German partners, strong community bonds, industrial alliances, and the dedicated efforts of our faculty and administrative staff.

In embracing the culmination of your academic journey at GJU, I encourage you to ardently focus on your future endeavors and wholeheartedly apply the wealth of knowledge you have acquired during your time at the university. The education you've received serves as a robust foundation upon which you can build your professional and personal pursuits.

Remember, learning is not confined to the walls of a classroom or the duration of a degree program—it is an ongoing, lifelong journey. In the dynamic landscape of our ever-evolving world, the commitment to acquiring new knowledge remains a cornerstone of personal and professional growth. Stay curious, be open to new ideas, and seek out opportunities to expand your expertise.

Furthermore, recognize the role you play as ambassadors for GJU. Your achievements and conduct reflect not only on yourselves but also on the university that has been instrumental in shaping your academic and personal development. Be exemplary representatives, showcasing the excellence and values instilled in you by GJU. Through your actions and accomplishments, you have the opportunity to contribute to the legacy of the university and inspire future generations of students.

In essence, as you step into the next phase of your journey, leverage your knowledge, nurture a lifelong commitment to learning, lead with purpose, and carry the banner of GJU with pride and distinction. Your potential is boundless, and your impact can be profound. Congratulations on this significant milestone, and may your future endeavors be marked by continuous growth and success.

DEANSHIP OF   
GRADUATE   
STUDIES 

**DEAN**  
Prof. Ziyad Masoud

**“The deanship of graduate studies at GJU plays a pivotal role in shaping the academic and research landscape, fostering innovation, and facilitating the growth of aspiring scholars. It is a position of leadership and responsibility in guiding graduate students toward excellence and promoting advanced education. The deanship of graduate studies fosters students seeking advanced degrees through several master’s programs in various disciplines and one doctoral program in German as a Foreign Language.**

**The deanship is the administrative body that is responsible for a wide range of responsibilities, including admissions, program management, research support, and more. It serves as a key hub for fostering academic excellence and research initiatives at the university, ultimately contributing to the development and success of both students and the institution as a whole.**

**I warmly welcome you to our vibrant academic community. Our dedicated faculty and staff are committed to helping you achieve your academic and professional goals. I invite you to explore your passions, push your boundaries, and make a lasting impact.”**

## PROJECT OFFICE MISSION

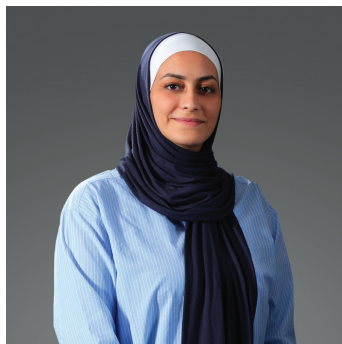

---

The five employees of the GJU project office at UAS Magdeburg-Stendal coordinate the German network of university and business partners and participate with Prof. Dr. Anne Lequy in the strategic planning of GJU. Among other responsibilities, the total German budget of the project and its pending scholarship programs is supervised at the GJU project office in Magdeburg, including managing and accounting for scholarship payments and reporting to the German Academic Exchange Services as well as to other stakeholders. The team is also responsible for the student support during the German Year and the Alumni Ambassadors Program for GJU-graduates studying and/or working in Germany

## OFFICE OF THE VICE PRESIDENT FOR INTERNATIONAL AFFAIRS MISSION

---

The international and the German dimension at GJU - this is what the Vice President for International Affairs and his office are responsible for. Building and strengthening bridges between Jordan and Germany is the main mission of GJU's Vice President for International Affairs. Students, lecturers, researchers, cooperation partners, and politicians can travel on these bridges and meet in between with regard to international, intercultural, scientific and application-oriented exchange and knowledge transfer. Networks arise from bridges and friendships arise from travellers.

## GERMAN LANGUAGE CENTER MISSION

---

The German Language Center (GLC) is a central unit of the German Jordanian University (GJU) with the task of preparing all students of the university's undergraduate programme for their compulsory so-called German Year. Every year, around 700 GJU students travel to Germany to spend a study semester at one of the more than 100 German GJU partner universities and a twenty-week internship in a company in Germany. A unique feature of the GJU with transnational educational character is that all Bachelor students, without exception, start a study period in Germany. This is politically intended and underlines the particularly strong, continuous reference to Germany of the Transnational Education Project, which is wanted by both governments and supported by the German Government.
